

# Whats at Haverthwaite Station

Established in 1973, The Lakeside and Haverthwaite Railway is a family run business steaming into the heart of The Lake District. Carefully maintained steam locomotives haul carriages on this 3 ½ mile steeply graded former Furness Railway Branch Line from Haverthwaite to Lakeside, the southern tip of Windermere. At Lakeside connections are available with Windermere Lake Cruises where you can enjoy the stunning Lake scenery to Bowness or Ambleside.

## Tea Room...

Why not take a break from your travels and relax in the warm, welcoming and nostalgic surroundings of our licensed 'Station Tea Room' just off the platform at Haverthwaite Station. Our home cooked menu includes our hearty Railwayman's breakfast, freshly made vegetarian soup, along with a selection of lighter bites and cakes.

**FAIRBURN ENGINES**  
THE LAST TWO IN THE WORLD!  
Haverthwaite railway is home to the last two remaining Fairburn locomotives in the world: the Fairburn 42073 & 42085.

**LOCALLY BREWED FAIRBURN ALE!**  
To honour these Fairburn engines, Ulverston Brewing Company brew our exclusive Fairburn Ale, which is available to purchase at the station tea room & gift shop.

**FAIRBURN ALE INFUSED FOOD!**  
Our ale is infused into the locally sourced burgers and Cumberland sausages that we have for sale on our tea room menu!

## Gift Shop...

Step into our Gift Shop to find the perfect souvenir of your day or the ideal gift for someone...

We try to stock local and British products where possible, including cards, prints, canvases, jewellery and much more. We also have a range of Bachmann models and other railway memorabilia, as well as souvenirs of your visit, and toys for the children.

Don't forget to pick up our guide book all about the railway, past and present.

## Playground & Woodland Walk...

In the beautiful woodland surroundings and with a platform view, children of all ages can enjoy this fantastic new park & picnic area, while adults can relax under the leafy canopy. Kids can enjoy the tunnel slide, climbing frames and bucket swing and zip wire, plus much more!

## Engine Shed...

Today the company are very proud of their lovingly restored and maintained fleet of steam locomotives, which are available to view in the engine shed. Haverthwaite railway is home to 2 magnificent Fairburn Class 4 MT tank engines- the only remaining locos of this type to survive.
